

Directions to Frio River Cabins:

From San Antonio take Hwy 90 West

Follow Hwy 90 through Castroville, Hondo, D'hanis and Sabinal.

In Sabinal turn right (at a stop light) on FM 127.

FM 127 will dead-end into Hwy 83.

Turn right (north) on Hwy 83.

After 8 miles look for FM 1050 (the turn for Garner State Park) on the right side of Hwy 83.

Don't turn. FM 1050 is a landmark.

The office is 1.5 miles past FM 1050 on Hwy 83.

Look for a hot pink sign that says River Bend on the right side of Hwy 83. Once you pass the hot pink sign start slowing down and look on the left side of the Hwy for a sign that says "Frio River Cabins OFFICE".

(NOTE: There are no buildings that are visible from the road so look carefully for the small yellow sign.)

Take a left at the Frio River Cabins sign. You will cross a cattle guard. Keep following the asphalt road until you see a red brick house. This is the office. Call 830-232-5996 for help with directions.
